

maxIT Healthcare Named to Inc. 5000 List

Second Year as one of America's Fastest Growing Private Companies

Westfield, IN — August 2010 — maxIT Healthcare, a leading professional consulting services company for healthcare providers, has been recognized by Inc. magazine on its third annual Inc. 5000 list of the nation's fastest growing private companies. With three year sales growth of over 59%, maxIT was ranked number 3264 on the list. This is the second consecutive year that maxIT has made the list.

"We are excited to be named to the Inc. 5000 list again," said Parker Hinshaw, CEO and Founder of maxIT. "Our growth and success over the past few years are the result of the focus, flexibility and hard work of our consultants and leadership team during a very challenging economic period. I'm proud of our team for their passion and commitment to helping healthcare organizations improve quality of care and patient safety through information technology."

maxIT provides critical IT support that helps healthcare organizations improve their clinical, financial, operational and IT outcomes. With over 430 senior consultants, maxIT offers implementation, project management, and management consulting expertise in healthcare information systems (HIS), electronic medical record (EMR) systems, enterprise resource planning (ERP) systems, payer systems, and clinical imaging and informatics systems (for radiology and cardiology).

The 2010 Inc. 5000 is ranked according to percentage revenue growth from 2006 through 2009. To qualify, companies must have been founded and generating revenue prior to 2006; must be U.S.-based, privately held, for profit, and independent as of December 31, 2009; and must have revenue in 2009 of at least \$2 million. The top 10 percent of companies on the list comprise the Inc. 500, now in its 28th year. For more information about the Inc. 5000, visit www.inc.com.
