

Meaningful Use Requires  
Meaningful Assistance™

Maximizing IT Outcomes

# NextGen Practice

## NextGen Practice Skill Sets

maxIT Healthcare employs more than 20 full time consultants as part of our NextGen Practice. Our NextGen Practice is comprised of dedicated and experienced IT consultants focused on successful implementations, upgrades, and optimization of advanced NextGen systems. Our consultants support multiple NextGen software platforms, including

- Ambulatory EHR
- Practice Management

## NextGen Practice Clients

maxIT clients achieve their business goals, and improve patient safety and quality of care through our tailored NextGen service solutions that are implemented rapidly, and with positive outcomes. Our NextGen clients include many recognized providers, such as:

- Adventist Health System
- Advocate Condell Medical Center
- Augusta Health
- Holy Spirit Hospital
- IASIS Healthcare
- Lakeland Regional Medical Center
- Reid Physician Associates
- Virtua Health
- WellStar Health System

## maxIT Services

maxIT helps healthcare organizations maximize the potential of their information systems to achieve clinical, operational, financial, and IT objectives. With a full breadth of service offerings, maxIT provides experience and expertise in the following strategic areas:

- HIS/EMR Systems
- Clinical Imaging Services
- Payer Systems
- ERP Services
- Management Consulting Services

In each of these areas, our hands-on working knowledge of healthcare operations and workflows, along with our recognized expertise in all major healthcare software applications, put maxIT in a unique position to fulfill nearly any IT strategy, deployment or staffing need.

- On-going Application Support
- Interim Senior Management
- Project Management
- Business Intelligence and Reporting
- Revenue Cycle Management
- Assessments and Remediation Plans
- Clinical Transformation, Adoption and CPOE

---

## Meaningful Use Requires Meaningful Assistance™

maxIT is much more than a typical IT consulting firm. We have a deep, practical understanding of the processes and pitfalls related to Meaningful Use, and have provided “Meaningful Assistance” to more than 450 clients nationwide. Our consultants average 19 years of experience in both clinical and IT areas, and have in-depth knowledge of healthcare operations and clinical workflows. Meaningful Assistance from maxIT is senior consultants who deliver immediate value, a clear roadmap to client success, an ability to scale to meet project needs, and results at reasonable rates.
